The Board of Directors of the Annville Institute/Grace Covenant Ministries (AI/GCM) announced last week they have appointed Thomas “Tommy” Miracle of McKee as the new leader of the organization. Tommy has been with AI/GCM for the past four years. He has been working with volunteer groups, overseeing the addition project on Hacker Gym and the rehabilitation work on Lincoln Hall. During the past 12 months, he has taken over some of the leadership responsibilities and is now the Manager of Campus Operations. Tommy is excited about the future of AI/GCM. He will

be concentrating his efforts on ways that will enhance the organization’s role in the community and remaining financially viable.

Tommy is replacing Jake Moss who has served as the executive director of the organization for the past 13 years. Jake will continue working part time in the area of fund raising and is grateful for the opportunity to continue sharing the story of how God is continuing to bless us through your support. He will be concentrating his efforts with supporters outside of Kentucky.

Jason Elam, our youth ministries coordinator, will be our spokesman to supporting churches within Kentucky. He is always looking for ways on how on how to bring the message of Christ’s love into the community.

Yolanda Webb, our faithful office manager and bookkeeper has taken on the additional responsibility of scheduling all campus activities.

We thank you for your support and ask for your prayers as we take on our new responsibilities.
