Prayer Requests

We will be hosting volunteer groups from Connecticut, Iowa, Ohio and Michigan. Pray for their safety and that they might enjoy the opportunity to share their gifts with others.

We have several projects on campus that need to be taken on by some volunteers. If you are interested please contact us. The projects include finishing the gym addition, putting a new roof on Worthington Dorm and continuing the rehab project on Lincoln Hall.

A couple of our vehicles have logged many miles and are in need of replacement. The list includes two service trucks and a passenger vehicle. If you have a safe used vehicle to donate we will be happy to talk to you and help with the IRS form for this type of contribution.
