February/March Happenings

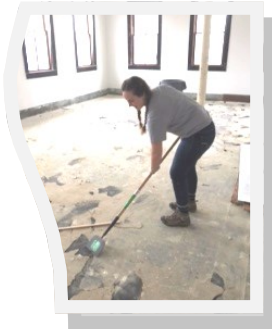

A group of students from Northwestern College was the first volunteer group for 2017.

1) Some of them worked on the gym addition project. 2) Others worked on removing some of the flooring in Lincoln Hall. 3) They also constructed a ramp for a disabled person. 4) One evening they took advantage of spring like weather and visited one of the local parks. 5. Meet our youth activities coordinator, Jason Elam and his family. Jason oversees the summer camp program and basket ball programs. 6. Jason is leading prayers before their game. Jason has a passion for bringing the message of Christ into the community.

April 8, 2017

Our Spring Board meeting will be held on April 8. At that time we hope to finalize leadership transition plans.

Later that day a fundraiser will be held at the gym for Phase 3

of it's renovation project. This phase will convert the old bathrooms into a physical fitness center that can be used by the community. The fundraiser will be from 4:30—8 PM and will include a barbeque dinner,

silent auction and entertainment. As always your prayers are appreciated.
