1) Beautiful time of the year. 2) Nine students from Central College visited campus during their fall break. They painted in the gym addition and helped entertain some local students on a hay ride. 3) They also helped carve pumpkins. 4) A campfire to end a perfect day. Our students are missing their friends from Iowa.

Happy Birthday

One of our partnering churches, First Reformed Church of Fishkill, New York, celebrated their 300th Anniversary this past weekend. The church building was used as a hospital during the Revolutionary War. The Annville Reformed Church will celebrate their sanctuary being 100 years old in 2017. Tanis Chapel, as it was known earlier, was recently resided and is now waiting for a final coat of paint.

Board Meeting Highlights

At last week's board meeting, activities from this summer and recent financial activities were reviewed. They gave thanks for recent gifts.

As we look forward to next year, it was agreed that finishing the gym addition should be a priority. Almost all of the needed financing is in place and volunteers are being recruited to finish this project.

It was noted that the Annville Christian Academy, that operates on the campus, has almost doubled enrollment from a year ago.
