Special Projects

As we continue to maintain our historic campus a couple of needs are becoming apparent that need to be addressed. The Reflection Center pond is quickly being taken over by undesired vegetation and we are looking at an expense of about \$400.00 to eradicate the problem. During the next three years three buildings need to be reroofed. The cost for these repairs will range from \$4000—\$8,000.00. If you can help with a part of these expected expenses it will be greatly appreciated. Also we are looking for volunteers to help with these and other projects. For more details please contact Tommy Miracle, Director of Campus Operations.

Please Pray For

Upcoming Fall Board Meeting to be held Oct. 15.

They will hear reports of our

summer activities and meet with with some volunteers from Central College. Also they will review our staffing

needs and how to balance the other needs of the organization within a tightening economy.
